Prayer Requests from Uganda

Pray that God provides the remainder of the resources needed to move the children into the new children's home building as the group has outgrown the existing home

Pray that the children will come to know Jesus as Lord and Savior

Pray for Gordon and his family to stay focused as they serve God through the church and minister to the children in the children's home.

News from Hoima, Uganda

Nelson - Nelson was one of the original children who led Gordan (Omuhinda Amooti) and MCM to partner together to care for the first children who needed a home. Nelson received Christ as his Savior this last year, and he is growing quickly in his knowledge of God. Nelson is thinking deeply especially in regard to how God would have him to live his life. One of Nelson's main roles in the children's home is to help translate the Bible stories for the other children. He is trying to teach others how to apply Bible truths to their lives. God is also using Nelson as a peace maker in the children's home.

Rose - Rose also became a Christian earlier this year. Rose's

love for others is exceptional. When given gifts, she gives most of the gifts away to others in need. When Rose prays, she prays specifically for God to save the lost and to provide for those in need. Rose's giving heart is a natural extension of her recognition of the good gifts God has provided for her through the ministry of the children's home.

What We Love about Hoima Baptist Children's Home

- There are 18 children being cared for by Christians who have a call to minister to them.
- The children have bright eyes because their needs are being met.
- The children are not going to be adopted but are being cared for by the church and disciplined to become Christ followers who will continue ministering in their own community.
- Leaders are emerging from the home because the plan for discipleship is working.
- We can go on mission trips to Uganda and take our MCM donors on mission to see this work happening and to join us in the work on the field.

News from Cuba

Jody recently returned from visiting with our Cuban ministry partners. There is never a time MCM visits Cuba and does not come away from that visit encouraged by the Cuban Baptists who are reaching the lost with the message of the Gospel. In 2018, your funding for our Cuban ministry has produced the following Kingdom results:

716 house churches
316 baptisms
4088 professions of faith

**Would your family consider
sponsoring one of our 100
Cuban missionaries at
\$300/yr?**

End of Year Giving

Many of you try to give your final donations for the year before the beginning of the new year. Gifts postmarked by December 31 will be allotted to donor's 2018 giving. If your envelope is not postmarked by December 31, 2018, we will not be allowed by law to count your donation for the 2018 year. On the other hand, if your envelope is postmarked by December 31, but doesn't arrive until January 5, it will still be counted toward 2018 due to the postmark.
